

THE BRIDGEWATER

Upper Level

1 Bedroom // 1 Bath // Approx. 850 sf

The ground level entry opens to the foyer and staircase, which leads to a guest closet and large living room with a sliding glass door with a private balcony, flooding the living area with natural light. The adjoining dining room is located off the galley kitchen. The utility room provides access to a washer dryer connection. The bedroom includes a spacious, pass through closet providing direct access to the central bath.
